Our Story

Books 'An More

A Canadian Bookstore, Built for Readers Across the Country

Books 'An More was created with a simple idea: that readers across Canada deserve easy access to great books—without limits. From fiction and non-fiction to children's stories, cookbooks, and Canadian authors, we offer a thoughtfully curated collection of titles, shipped anywhere in the country.

We're not a mega-retailer or an algorithm-driven platform. We're readers first. Our goal is to offer books that connect with people—books that inform, comfort, entertain, and inspire.

From Coast to Coast, Reading Matters

Whether you're ordering from a city condo, a rural mailbox, or a school library, we want every Canadian reader to feel like they belong here. That's why we focus on fast shipping, practical browsing, and a selection that reflects the depth and diversity of Canadian voices.

Our site features Indigenous authors, regional publishers, emerging writers, and global bestsellers—because we believe a bookstore should be a place where all kinds of stories are told.

Why We Do What We Do

We believe in books as tools for growth.

Every title we offer is selected with care—no filler, no clutter, just books that bring something real to the reader.

We believe in local storytelling.

From celebrated literary icons to debut Canadian authors, we highlight the stories that reflect life in Canada—across generations, cultures, and communities.

We believe in simplicity.

Shopping for books online should feel like browsing a shelf you trust. Our categories are designed to help you find the right read—fast.

We believe in building a better bookstore.

This isn't just a website—it's a space for people who love books and value what they bring to our everyday lives.

What's Next?

Books 'An More is always evolving. As we grow, we'll continue adding more Canadian authors, school-ready bundles, curated reading lists, and regional spotlights. We're working toward making this site the go-to Canadian book destination—not by trying to be the biggest, but by always aiming to be the most thoughtful.

Books, Delivered With Purpose

Wherever you are in Canada, we're here to bring books into your home, your classroom, or your hands—with care, speed, and the kind of quality you can count on.

Thank you for being part of our story.

Refunds Policy

As an Affiliate Bookstore, We Don't Process Orders or Returns

Books 'An More is an affiliate bookstore. This means we do not sell books directly through our website. Instead, we provide curated recommendations and direct links to trusted third-party retailers where you can complete your purchase.

Because all purchases are made through external sites, any questions about returns, refunds, exchanges, or order issues must be directed to the retailer you purchased from.

How Affiliate Purchases Work

When you click on a book listed on booksanmore.com, you are redirected to a third-party retailer (such as Amazon, Indigo, or another bookstore) to complete your purchase. That retailer is responsible for:

- Processing your payment
 - Shipping your order
 - Handling any returns, refunds, or customer service issues
-

Need to Return or Refund a Book?

Please contact the retailer directly using the order confirmation email or receipt they provided. Each partner site has its own return policy, and your refund or exchange will be handled according to their terms.

Can We Help?

While we don't have access to your order details or payment information, we're happy to help guide you to the right place if you're unsure who to contact.

Email us at info@booksanmore.com with:

- The name of the book
- The site you purchased it from
- A brief description of the issue

We'll do our best to help point you in the right direction.

No Direct Sales or Fulfillment

Books 'An More does not:

- Accept payments
- Ship physical products
- Process cancellations, returns, or refunds

All order-related questions must be handled by the retailer from which you purchased the book.

Thank you for using Books 'An More to discover books you'll love.

We're here to help you find great reads—but your shopping relationship is with the retailer you purchase from.
